Petroleum Elitists Discover Russians And British Have Joined—Turks Also Heard From.

ATTORNEYS SEEK TO SHOW TRACES OF INSANITY IN FAMILY.

Doctor Seemingly Was Never Able to Resist Temptations to Steal From Those Near To Him.

By Associated Press

The battle of Verdun goes on unabated on both sides of the Meuse in greatest and most severe of the form the Germans continue their unopposed bombardments and the ever infinite attacks. The French are repulsing about shot for shot under a withering fire, holding the German masses at almost every point.

After conquering Port Arthur and making peace with south-west of the fort the Germans sent the fort captured a French trench. A German attack west of Paris gave them momentary possession of a Russian trench in the advanced line. Attempts of the Germans to advance north of Alaska were repelled.

Petroleum reports the junction of the Russian and British at Kerguelen.

Constituting since the Turks have stopped the advance of the German forces in the region of Rostov, on the Persian front. The rear guard says that the Russians were defeated at Samarkand north east of Rostov.

Unofficial adviser from Athens is that nearly bombardments and infantry action occurred from Dec. 10 to Dec. 15 on the Macedonian front. The Entente Allies are bombarding several roads held by Persia to the Turks.

Rome reports that the Italian have repelled the attacks of the Austrians in Southern Trent and across the border to Italy. The situation in the Asiatic Georgia valley is reported unchanged.

**Cannibals Hunt Bands.**

CHICAGO, May 25.—Constituting forces under Col. George Forbes routed a bandit band under Major Tait, today. Those captured were Col. Juan Jose capo Jose Garcia and eight others. Another band under Major Beltran was dispersed. Gen. Jesus Negrete reported killed and ten Villistas. United and a quantity of supplies taken near Cerro Santiago.
